### Reaches into tricky areas

- **Steam tip:** Lets you iron right into hard-to-reach areas
- **Button groove:** Speeds up ironing along buttons and seams

### Comfortable ironing

- **Ergonomic Iron design:** Ergonomically designed iron for comfortable ironing
- **Extra long hose for maximum reach:** 1.7 m
- **Extra-long lead for maximum reach:** 1.9 m
- Suitable for tap water

### Easy set-up and storage

- **Compact design:** The compact design makes it easy to store and handle
- **Cord and hose storage:** Integrated lead & hose storage space

### Safe ironing

- **Overheat safety stop:** Prevents the boiler from overheating
- **Four rubber feet:** Ensure the stand does not slip

### Full control

- Iron temperature ready light

### Technical specifications

- **Frequency:** 50–60 Hz
- **Voltage:** 230 V
- **Iron wattage:** 800 W
- **Boiler wattage:** 1370 W
- **Start-up time:** 6 minute(s)
- **Boiler capacity:** 800 ml

### Weight and dimensions

- **Dimensions:** 319 x 199 x 166 mm
- **Weight (incl. packaging):** 5.25 kg
- **Pallet:** 40 pcs

## Product highlights

### Up to 4 bars

Thanks to high pressure, the steam penetrates deep into fabrics, giving exceptionally fast results, even on difficult fabrics.

### Compact design

The system is so compact it's suitable for use with most ironing boards and can be stored away easily.

### Up to 90 g/min of steam

Continuous steam output up to 90 g/min thanks to the small amounts of water that are pumped into the boiler each time. For perfect and fast crease removal.

### Ergonomic iron

The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upwardly sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the repetitive movements caused by placing an iron on its heel.
